Citadel Enterprises is Honored with a Guildmaster with Highest Distinction Award

MOUNT PLEASANT, S.C. – Citadel Enterprises, Inc. is proud to announce it is the recipient of a 2010 Guildmaster with Highest Distinction Award, the premiere level of Guildmaster awards. The honor comes from GuildQuality, a company client satisfaction surveying organization that provides nearly 600 building and real-estate professionals with customer service feedback. This is the third year in a row GuildQuality has acknowledged Citadel Enterprises. “I feel humbled yet proud of my team’s continuous efforts to ensure our customers are satisfied in all aspects of our doing business together,” said Pete Loy, company president.

Each year, GuildQuality bestows the Guildmaster Awards upon its most accomplished members. These awards are GuildQuality's recognition of exceptional performance in the community of quality-minded building and real estate professionals. Citadel Enterprises is one of only 139 home builders, remodelers, developers and contractors throughout North America recognized for its superlative performance. Award winners differ in their types of work and their price ranges, but all have a lengthy track record of outstanding customer feedback.

Citadel Enterprises provides remodeling, repair and design-build services with an emphasis on trust, service and neatness for the client who desires to work with an award winning and industry leading firm.
